BRC BROADCAST SERVICES,

SUPPLEMENT #3 FOR 2012 IS ALMOST READY. It includes Kraft Music Hall with
Al Jolson, Suspense, Sherlock Holmes, Jack Benny and others. All shows are recently remastered
to digital formats.

HISTORY: BRC was begun as a mail order business by Bob Burnham in about 1976.
We originally offered reel to reel and cassette tapes of old-time radio shows to the general public.
The logo, in use for over 20 years, resembles a fully restored 1936 Atwater-Kent model 356
"tombstone" style radio which is in our office. Burnham is also a broadcast engineer based in
Detroit.

NAME CHANGE: BRC PRODUCTIONS is now BRC BROADCAST SERVICES!
This applies to ordering all old-time radio or nostalgia products and services. This became
effective June 2012.

OLD WEB SITES TAKEN DOWN: All past web sites are No Longer Active. This
includes both brcradio and brcproductions.

CURRENT DOMAIN: Still active is brcbroadcast however, there is NOT yet a web site
behind the e-mail.

E-MAIL CONTACT: You may contact us at bob@brcbroadcast.com.

NO FAX OR VOICE: We have also discontinued past fax and business office numbers.

MAILING LIST: We still snail mail printed old-time radio supplements about four times
per year. We can also e-mail via .pdf format. There is no cost, however, we appreciate an
occasional order.

FREE SHOWS: BRC Broadcast maintains a free public drop box from which free
shows or other special audio can be obtained. Although complete shows may be included, these
are intended as samples to our CD or mp3 products.

DROP BOX: Links will be provided as they are added. There is no cost or
obligation to playing or downloading any of these shows. Click on any link to access.

Some of the free audio currently available is:

https://dl.dropbox.com/u/19032620/SUSPENSE_741_03-09-1958_The_Chain.mp3

CONVENTIONS: Periodically, we make product available at a reduced price at selected conventions. Those conventions are determined on an individual basis and may change from year to year. This will be announced in our supplements.

SPECIAL REQUESTS: Although we maintain an archive of over 15,000 of the most popular (and not so popular) shows, we do not generally do custom recording. This is due to the multistep digital restoration process that all shows are given before they are made available.
